3 VENUES TO WATCH

Remarkable Arts - Fantastic new West End venue featuring *Ontrorend Goed* (intense audience participation), *Adolf* (show about Hitler), *Llwth (Tribe)* (gay rugby fantasia) & *Confessions of a Mormon Boy* (Mormon comedy musical).

Summerhall - Great new space devoted to the weird and wonderful featuring *Hotel Medea* (an epically hedonistic all night show), *BAC*, and the *Forest Fringe* - the kooky heart of the festival.

Assembly - Sad as we are that the chandelier stuffed Assembly Rooms in New Town is now not being used, their new tented mini festival is going to be a beautiful new heart of the fringe.
